Student Absence – SMS Alerts

If a student is absent on a particular day and we have not heard from a parent providing a reason for the absence, our Office staff have currently been calling or sending a text message to parents seeking a reason for the absence. As of Monday, September 3rd we will begin sending only text messages to parents if their child is absent and contact with the school has not been made. Parents will have the option of either calling the school or following a link provided on the message to inform us of the reason for the absence.

Despite this change, we still encourage parents to make contact with us in the morning if their child will not be attending school for the day.

Get Your Kettle On! – Let's Help Georgia Get To Spain!!!

A 'Go-fund-me' page has been set-up for our champion kettle-bell lifter and Year 9 East Loddon P-12 College student Georgia Welsh. Georgia is a current world champion and is aiming to travel to Spain in November to defend her title, after excelling in world championship event in Denmark (2016) and Italy (2017). Georgia's family are the type that do a tremendous amount for others, being involved in many voluntary roles within the community. We would now love to be able to do something wonderful for them and assist in getting Georgia to her next world-level event. If you would like more information on this fundraiser, and/or would like to donate funds to this cause, please click on the following link - <http://gf.me/u/kqqrq>

COLLEGE FETE—WEDNESDAY 19th SEPTEMBER Starting at 10am until 2pm

Victorian State-Schools Spectacular

A number of our Year 5 and 6 students have been preparing for the State-Schools Spectacular, which will be held in Melbourne on Saturday 15th September. Yesterday these students travelled to Melbourne with Ms Harrington and Sue Allen for a further rehearsal session in which a great deal of media were also present. Channel 7 ran a feature on the news last night, in which you can see some of our wonderful students in the background. If you are interested in seeing and hearing a little more about this event, click on the following link -

<https://twitter.com/7NewsMelbourne/status/1032182837321945089?s=20>

A huge thankyou is extended to Ms Harrington for the tremendous amount of time and effort that she has put in to providing this opportunity for our students!

Big Picture Field Trip

I had the great pleasure of attending a local 'field trip' on Monday in which 4 students from our Year 7/8 Big Picture class arranged a visit to two local farms. Molly, Montana, Alicia and Blake had spent the previous 4 weeks of class time studying risks in agriculture, with us being able to visit and speak first hand to Andrew Maher, and Brett Hay and Daryl Jensen at Jenharwill Baling. It was tremendous to have these local gents give us the time they did on Monday and I look forward to seeing the final presentation that these students make to their classmates in a couple of weeks' time.

Lion's Club Meeting

Thanks are extended to all who were able to make it to the Dingee Hotel on Tuesday evening for the local Lion's Club meeting in which our 2018 Turkish travellers were special guests. Further thanks are extended to the staff at the Dingee Hotel for a fantastic meal and enjoyable evening. We at the College very much appreciate the tireless work of our Lions club in ensuring that they support College and community initiatives.

Year 3 Nude Food

I was invited into the Year 3 classroom this week to listen to a proposal regarding 'Nude' food. Jayde and Paige presented a wonderfully constructed persuasive writing piece that stimulated a great deal of thought. The proposal was put together by the entire year 3 class and I have now invited students to our Management Advisory Committee meeting next week so that they can share their vision for the College. Stay tuned for more information on this nude food initiative as the year progresses...

Parent Opinion Survey

Parent Opinion Surveys come to a close this Sunday and we very much appreciate the efforts of those who have already completed these surveys. If you received an 'invitation' to participate in this year's survey, we would very much appreciate it if you could endeavour to complete this before Sunday evening.

The survey should take 10-15 minutes to complete and can be completed on any internet enabled device (iPad, Desktop or Laptop, Smartphone).

Principal's Report (cont.)

Respect - Resilience - Responsibility - Relationships

Let's Help Our Year 3's Beat Their Mobile Phone Record!

Back in 2016, the grade 3 class at the time collected 47 old and/or broken mobile phones to be recycled for a tremendous cause, and this year's Year 3 class are looking to gather well and truly more than this number of mobile phones. Go through your drawers and cupboards and see if you can find a couple of your old phones to help out our wonderful grade 3 class! Phones can be sent into the College Office or placed directly into the yellow mailbox in the office itself.

To find out more about this initiative, please read the relevant details within this newsletter.

Eaglehawk IGA Community Rewards Fundraising Program – Info At College Fete

Eaglehawk IGA run a community rewards fundraising program through their store which sees shoppers rewarded with points upon payment of their groceries. A proportion of these points can be donated to a local organisation of your choice, with the College looking at becoming one of the organisations that shoppers can support. Sandra of Fairleys Supa IGA will be in attendance at the upcoming fete so that College community members are able to ask questions and sign-up for a community rewards key tag. In order for the College to benefit from these community points, we need to have at least 30 families sign up to the program.

I hope you have a great week!

Steven Leed
College Principal

School for Student Leadership

We have recently received the fantastic news that our school was successful in applying for the School for Student Leadership in 2019. We have been offered places for two boys and two girls from the Year 9 class (current Year 8s). They will spend a term at the Alpine School in Dinner Plain during Term 4 next year.

This is an exciting chance for our students to build their leadership skills. We hope that it becomes an annual opportunity for our Year 9 students in the future.

Further information will become available in Term 4 and an information session will be held for all interested families of current Year 8 students.

Sarah Clare
Curriculum Leader

Assistant Principal's Report

Assistant Principal's News

Can you believe next week is the end of August and the end of week seven?? What are we doing with our lives? Just a couple of things this week and maybe reiterating what others are mentioning throughout the newsletter.

Please check out the info page about the EastLoddibald prize which is a portraiture competition that will be judged at the Fete. We have already had ten budding artists enter. To collect your canvas, please bring \$10 to the Office. This will be your entry fee. Canvas boards are all the same size and profits will be contributed to the fete fundraising. A modest prize will be awarded to the winner, judged by popular choice. Get in to it! Please see Mrs Heaslip's info page later in this newsletter.

Rocker cover racers - If you've got one, dust it off. If you plan on making one, get started. This is an awesome event also held at the fete. From experience you will spend a whole heap of time making the racer, to have your hopes smashed by Lachie James in no longer than a 6 second race. But it's worth it. For details contact me.

Cream puffs anyone. So you can't make a rocker cover racer and you claim you can't draw?? Well this one is for you then, the Cream Puff Off. Get baking boys and girls, mums and dads, grannies and grandpas. It would seem everyone's version of a cream puff is a little bit different. Some fill with cream some with custard, some have like a thin sponge top and bottom, others more like a profiterole. Whatever your interpretation is fine. Let us be the judge. JUST BAKE.

In a final note, it's so good to see that our current World Champ Georgia Welsh is planning to go to Spain to defend her Kettle Bell Lifting title this November. A Gofundme page has been started to assist the family in raising funds for this trip. As you know, the Welsh family do a great deal for the community and I think it would be fitting if we could chip in together to help them out. If interested please visit the page following this link <http://gf.me/u/kqpgqg> If you can't afford to donate can you consider sharing her page on facebook or twitter? Georgia's success in this sport has been one of the real good news stories that I have had the pleasure of seeing during my time at the College. She is a wonderful ambassador for our school and community.

Come on Carlton, win a game!!!!!!!

Mr Wilkinson
Assistant Principal

Fete Update

Planning is well underway for this exciting day in the school's busy calendar. This year we are very lucky to have a sponsor by the name of 'YOLO' who will provide rides for all students at a reduced cost. Scripture Union Victoria will also provide a couple of activities for all students through our Chaplain Sue Allan - Zorb Balls (these are the ones that people can get into and roll around) and Sumo Wrestling (where the students are in inflatable suits and bump into each other). Along with our many and varied stalls and activities we will also have a Tarot Card reader present.

Once again, this year we will be using the ticket system for all stalls and activities – to alleviate the congestion at the ticket selling booths - this year tickets will already be bagged up into \$5/\$10/\$15 and \$20 lots. We will be pre-selling tickets before the fete and if parents wish, they may pre-purchase these through the office and have their child/ren names placed on the bags and held at the school until fete day. Pre-selling will start from Wednesday 12th September through until Tuesday 18th September.

As most parents are aware this is our major fundraiser at the school this year. All funds raised will go to a school project that College Council will nominate closer to the day – so we would like all parents to invite as many friends and family along to support us on that day.

Fete Stalls Include:

Prep	}	Craft, Plants, Cakes, Biscuits, Preserves, Other
Year 1		
Year 2		
Year 3		
Year 4		
Year 5		Guess Who & Baked Potatoes
Year 6		Mint Tea & Golf ball drop
Year 7		Jelly cups & Scavenger Hunt
Year 8		Fairy Floss & Coconut Shy
Year 9		Nachos & Magic envelope
Year 10		Pancakes & Major rides
Year 11		Chips, Gravy & Milkshakes & Photo Booth
Year 12		BBQ
VCAL		Coffee / Sandwiches and Slice (food supplied by the Parents Association)

As always we rely on families contributing to the day by either baking, sewing/knitting, potting of plants to supplying of equipment needed on the day – the College realises that without your generosity our fete would not be successful – so I would like to say thank you to all families on behalf of the College community.

Sue Cail

Fete Organiser

The East Loddishald PRIZE

2018 PORTRAITURE COMPETITION

ENTRIES ARE OPEN TO ALL AGES OF
EAST LODDON COMMUNITY MEMBERS

TO ENTER: Purchase a canvas board for \$10 from the East Loddon P-12 College Office and paint/draw/sketch/collage a portrait of a person of your choice from our district (e.g. a footballer/netballer/grandma/farmer/teacher etc).
Entries will be displayed and voted for on Wednesday 19th September at the fete.

win

Respect - Resilience - Responsibility - Relationships

Science week and Agricultural Science Update:

Thank you to everyone who participated in Science week last week! There was a great feel around the place as our Prep to Four students conducted experiments in the senior Science lab, our Year 5 to Year 10 students participated in the education perfect, world Science competition (Results below!) and our P-5 students researched different Scientists. I hope all our students had a great Science Week and they've come out of it continuing to hold the excitement and curiosity Science can bring upon people.

Results of the P-4 Science poster competition – I thought it would be easy to pick a winner, but I was wrong! We'll be drawing 2 names out of a hat on Friday for the 'Entry to the Science lab and experiment' prize!

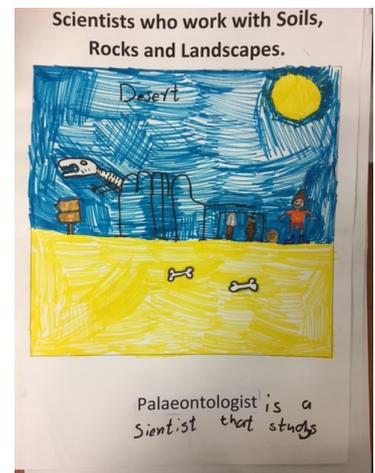

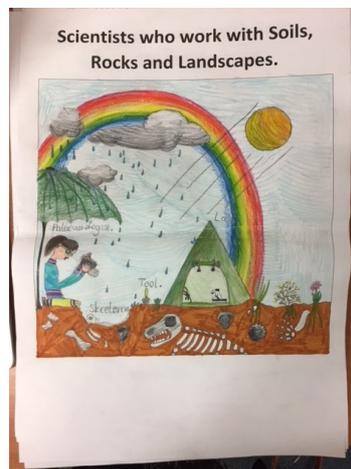

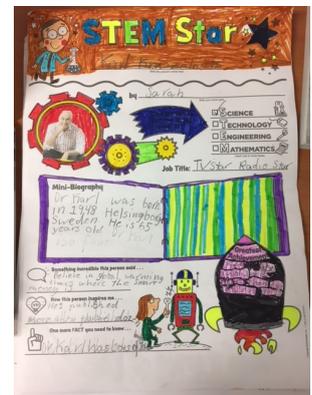

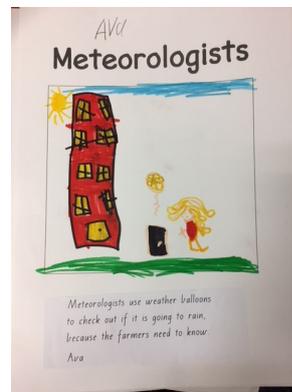

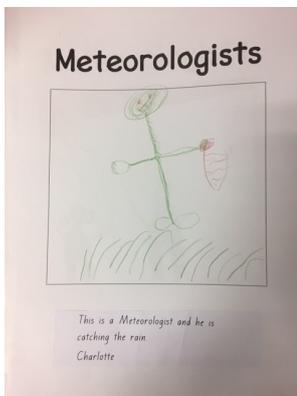

Results of the Education Perfect Science competition:

1st Place: Alicia H

2nd Place: Molly M

3rd Place: Victoria B

East Loddon P-12 College: 2nd overall in the 101-250 Students category – WOW!!!!!!

Community Volunteers Wanted!!

In other Science news, our Year 9 and 10 students are coming very close to welcoming some furry friends back into the College. Our Year 9's will participate in the Cows Create Careers program in the last two weeks of this term and our Year 10's have been putting in a HUGE effort to plan and prepare for some new yards out by the channel to welcome in some sheep in Term Four for an exciting Science project (no, we're not looking at cloning sheep, if you're wondering...).

On that note – **we're looking for someone with a post hole digger** who might be willing to offer a few hours to assist our Year 10's in getting some fences in. If this sounds like you, please let myself or Mrs Maxted know as soon as possible!

P-4 Update

Building Strong Foundations

P-4 Sub-School

Student of The Week

- Prep—Jack for making reading ‘so exciting’!
- Year 1—Deisel for improving his reading this week.
- Year 2—Lily for continuing to put in her best effort in every class.
- Year 3—Piper for her effort and concentration.
- Year 4—Keira for always getting on with her work and working to the best of her ability in all areas.

**You Can Do It! Awards
PERSISTENCE (Working Tough)**

Prep—Henry for working really hard with sounding out in reading and writing.

- Year 1—Caitlin for improving her handwriting.
- Year 2—Noah for consistently working hard on his reading.
- Year 3—Ava for concentration and persistence when learning time on the clock.
- Year 4—Braydon for great persistence with his Maths work this week.

Assembly News

Four of our Year 1 students provided an exciting version of the play ‘A Strange Shoe’. Our performers demonstrated great use of character voices.

Reading Clubs

175 Nights of Reading	Y4-Riley and Emily Prep- Jake and Penny
150 Nights of Reading	Prep-Charlotte
125 Nights of Reading	Prep- Baxter

Respect - Resilience - Responsibility - Relationships

Prep Sounds in Focus

The sounds in focus this week are : 'Vv' as in 'Vase in a van' and 'Yy' as in 'Yellow yo-yo'.

Prep Words To Fluency

Please continue to reinforce the 100 most frequently used words to build word recognition and fluency.

P-4 Excursion Rochester Road and Farm Safety Expo - Tuesday 21st August

Today your child should have brought home a notice, including a consent form. The cost of the excursion is \$11 which covers bus transport, please note there are no other costs involved. Next week's Newsletter will contain additional details about the day.

LITERACY

Encourage your child to read beyond the books they bring home from school. We are surrounded by print and it is important that students learn to make connections between skills learnt at school and applying them to real life situations. That involves encouraging them to read everything from TV guides, magazines and cereal boxes to road and shop signs. Write messages on whiteboards or notes in lunchboxes. The internet has a wealth of stories suitable for children and you could also encourage them to read for a purpose by following a recipe to cook something the family can enjoy (hopefully).

Language Sessions

We have been fortunate to have Grace Thompson (Regional Speech pathologist) working with our Prep and Year 1 classes each fortnight. Grace has been teaching 'Colourful Semantics', an approach for developing good sentence structure.

Playground Update

One of our College groundskeepers, Ricky, recently added some pipes and a container to the sandpit to make the sand play, with an extensive irrigation system, so much more exciting. Thanks for the initiative, Ricky.

Peter Vernon

On behalf of the P-4 Teaching and Learning Team

Year 3/4 Anglesea Camp Payment Plan

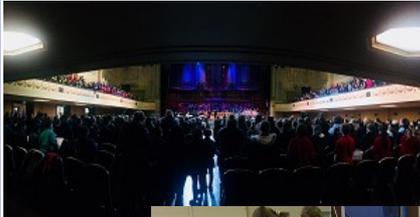

Date	Amount
Friday the 24th August (if unpaid on the booklist)	\$90.00
Friday 14th September	\$70.00
Friday 28th September (all monies paid to this date are non –refundable due to the Colleges financial commitment to the camp).	\$70.00
Friday 12th October	\$60.00
Friday 26th October	\$60.00

Middle Years Captains Report

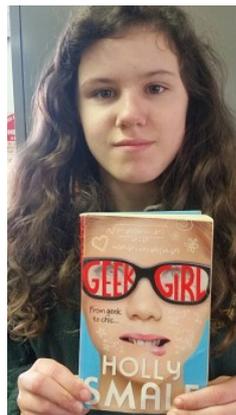

This Monday, a few Year 8 students went on an excursion to two farms in Big Picture. They really enjoyed learning about farming in the rural area. Also this Monday the Education Perfect Science Competition ended. Well done to everyone who participated in that. Yesterday most of the Year 5/6's went to Melbourne to practice for the State School Spectacular. Have a good weekend.

Alicia and Levi

Book recommendation

Makayla Smith from Year 7 recommends "Geek Girl from Geek to Chic.." By Holly Smale "It's about a girl called Harriet Manners, who becomes a model to stop getting picked on by other people. She has some friends but not many. It is a drama and comedy and I is really enjoying it. I recommend this book for students from Year 6 to 8"

Science Competition

Well done to all students who participated in the Education Perfect Science Competition last week. As a school we finished second WORLDWIDE out of all 300 schools between 100-250 students. Fantastic effort. Below are the top five individual performances:

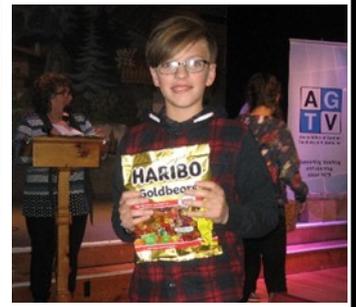

- | | |
|------------------------|-----------------------------|
| 1st. Alicia H | 3,860 points (Gold award) |
| 2nd. Molly M | 3,344 points (Gold award) |
| 3rd. Victoria B | 3,251 points (Gold award) |
| 4th. Emma P | 2,888 points (Silver award) |
| 5th. Abbey C | 2,503 points (Silver award) |

Deutsche Nachrichten

Last Saturday, August 18th, Charlize S-Year 6, Jye R-Year 7 and Zoe L-Year 9 participated in the State Final of the AGTV Poetry Competition at the Austrian Club. A big Thank You goes to Jye's parents for taking him down, to Kirsty L for taking Zoe down and to Frau Mac for taking Charlize down and to Kirsty L for bringing Charlize home. The students represented East Loddon very well, coming 7th. Jye and Charlize won prizes for answering questions about Germany and Austria correctly. Gut gemacht, Charlize, Jye and Zoe. Also, Danke Schön, to Kirsty for asking if I would like to go down with her. On Thursday, September 6th, P-4 students will hear the Eurofest choir sing at East Loddon. The P-4 classes will either be performing a dance or singing a song for the Eurofest choir.

Annette Burgstett
German Co-ordinator

Victorian State School Spectacular

Our students are had a fantastic time rehearsing with the principal cast, backing singers and a small rhythm section of the 75 piece student orchestra at Melbourne Town Hall this week. They sounded fantastic and we can't wait to perform to our audiences in just over three weeks!

Ms Harrington

Senior School News

VET Allied Health student: Chelsea H

For the last 5 weeks each Thursday Chelsea has been completing her placement at the Boort District Hospital. She has spent her time assisting in the residential care area, however, as also been able to spend some time in the acute area. Chels has assisted with duties such as, communicating, feeding, mobility, bed changes and other duties. She has loved the experience and is very thankful to all the staff at the Boort District Hospital, especially Donna Doyle.

Bendigo Bank Scholarship guest speaker

On Tuesday our Year 11 & 12 students were invited to listen to Lynda a representative of the Bendigo Bank Inglewood and District Community Bank board. She spoke to our students about TAFE and Uni Scholarship opportunities. Promoted the idea of using your current community involvement and future plans relating to regional or rural connections. The scholarships open in Dec and close late Jan. Once the updated flyers are released this information will be distributed to students.

Congrats Macey M

Macey is currently studying VCE Units 1 & 2 Psychology through the Virtual Learning Network in Bendigo. Macey was selected from hundreds of students to be a part of their promotional brochure for 2019. Well done, Macey.

Year 11 Health & Human Development guest speaker Mim S

The Year 11 Health & Human Development class (including some Year 10 students) had the pleasure of meeting former student Mim S (nee C). New Mum of gorgeous Spencer was invited to speak to students about prenatal development, infancy development and experiences that impact the health and wellbeing of newborn babies. Mim spoke informatively & from the heart, thanks for sharing your story so far.

Scholarship information guest speaker Maddy W

Maddy W former Year 12 student visited our Year 12 class during reading time yesterday to talk to students about her experiences (mostly successful – well done Maddy) with applying for scholarships. It was great to hear even more tips on how to seek funds for tertiary study. Thanks Maddy for volunteering your time.

Turkish Exchange presentations

Thanks and congrats to our students who travelled to Turkey earlier this year. They have yet again been on another public speaking adventure. The students (Jas L, Macey M, Blake P, Hugh C, Will S and Jack F) spoke to the recent senior sub-school about their experience including some of the nerves they felt prior to leaving, but how they would encourage others to participate in the next program. The students also had the pleasure of speaking at the East Loddon Lions Club meeting on Tuesday night. Again they wowed the audiences with their funny stories and information of their travels, sharing happy memories of their favourite photos.

Australian Defence Force presentation: rescheduled Monday 27th of Aug 12-1pm MPR

TERM 3 – DATES

MON	AUG	27TH
MON	SEP	3rd
MON	SEP	10th
THU	SEP	20th

Thanks to the Government's Sporting Schools Program funding for Term 3, we are able to offer students the opportunity to participate in IAAF Athletics sessions after school. The first 4 sessions are scheduled for the end of this term, (dates above), with 2 more sessions to follow at the start of Term 4. This will be an excellent lead up to our Athletics Sports Day which is held in Week 3 of Term 4. The program for Primary students aged 6-12 will start on the 27th of August. Please read the details below (extract from Sporting Schools website) to see whether the program is appropriate to your child/children's age & development.

IAAF Kids' Athletics is a highly engaging program to help students develop skills and confidence around athletics. As a foundation sport, it will assist children develop the fundamental skills of running, jumping and throwing that are transferable across all sports. Athletics Australia's programs are an introduction to team-based competition, in an age appropriate format focused on fun games and keeping kids moving. It aims build skills and a generation of active, healthy, sport loving children. Note - This is not a competitive performance based program.

Our coach, Garnet Rodda, will be taking sessions from **3.30-4.30pm**. Students **must be collected from school promptly at 4.30pm**. Please ensure your child has **change of sport clothes and appropriate footwear**. It would also be a good idea to include a small snack for afternoon tea. In the event of rain, the program will still operate with activities most likely to be held in the gymnasium. The support of parent helpers is necessary for the program to run. We will need to have at least one parent each session to assist in a supervisory role, although of course you are welcome to join in too if you like J

I am keen to hear from people who are willing to assist with supervision for 1 out of the 6 weeks by indicating availability on the form below. By all means organise to do it on the same night as a friend and make it a time to catch up while you watch the kids.

Please note there is a limited number of positions available, so register early to avoid missing out by completing the form below. This will serve as a permission form, emergency contact note and remove your child from the bus roll on a Monday night for the dates that the program runs. If you require further information regarding the program, please contact me at school. Thanking you in anticipation of your support and involvement.

Paula Maxted (Sporting Schools Coordinator)

IAAF KIDS ATHLETICS - WEDS AFTERSCHOOL

I give permission for my child/children to attend the IAAF Kids Athletics after-school program. I understand that the program will start at 3.30pm and that I will need to collect them from school at the conclusion of the session, 4.30pm. The program is for 6 weeks in total; 4 weeks this term & 2 weeks at the start of Term 4.

Student/s name & Year level/s: _____

*Parent Helper Dates: I am able to assist with supervision on Aug 27th / Sep 3rd / Sep 10th or Sep 20th

Emergency contact details: {

(Phone) _____

HEALTHY BONES WEEK

Did you know that bones reach their peak bone mass by your 20's?

This is when bones are at their strongest. Strong healthy bones assist children to reach their optimum growth level. This is why it's so important that your bones are looked after from the time you are born.

Just like adults children need all (3) key elements for Healthy Bones. Calcium + Exercise + Sunshine.

Calcium

If your children are aged between 4-8 years they should aim to have 2-3 serves of calcium-rich foods each day to reach a total intake of 700mg/day.

Older children (9-11 years) and teens (12-18 years) should aim to have 3 serves of calcium-rich foods each day to reach a total intake of 1000-1300 mg/day. This is their period of rapid bone growth.

Exercise

Running, jumping and skipping are all simple everyday activities that your children probably enjoy already. Younger children are doing this everyday in the school yard and don't even know that they are doing a great job looking after their bones.

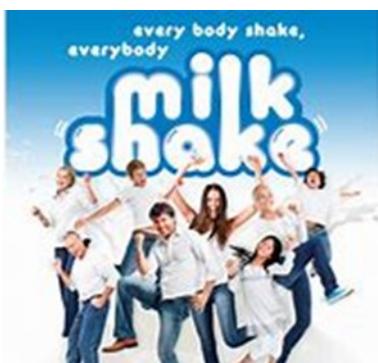

For teenagers it's a little harder, after all you have to pull them away from their ipod! Get them to access their own Healthy Bones Score and share the results with their friends, maybe they can send out a challenge to their friends to get them all going?

Sunshine

Yes ...get them outside. We all need a little sunshine, approximately 5-10 minutes during summer, and for longer periods in winter. Start today to build strong healthy bones.

Exposure in summer is recommended at mid morning or mid afternoon (i.e 11am or 3pm daylight saving time). Avoid peak UV periods.

In winter larger exposure time is required and probably at midday.

On **Tuesday, 28th August**, the Wellbeing Team will be serving **FREE** milkshakes at lunchtime at **the Multi-Purpose Room** to promote **Healthy Bones Week**.

KFC – Kids Friday Club Term 3

KFC for Term 3 is set to start tomorrow Friday August 24th and continue on August 31st, September 7th and 14th with our Annual Bush Olympics at Bears Lagoon on Sunday August 16th. A KFC newsletter was distributed last week. Extras are available from the office.

All Prep to Year 6 students are welcome to come along to KFC. For registration forms or enquiries please contact one of the leaders listed below.

Please fill in the bus and sign out note below (also in KFC Newsletter) and return to the office by Friday 24th August.

During Term 3, KFC will be running its annual fund raiser for charity. We usually do a 'Loose Change Challenge' (collect loose change) but this year we are supporting **2 Pairs Each**. Josh Berry, a 12 year old boy, started 2 Pairs each when he was 9 in an endeavour to care for the homeless by supplying pairs of warm socks. His aim is to provide 50,000 pairs of socks and is on track with nearly 19,000 pairs already. So, KFC children can either collect Loose Change to buy socks or purchase the socks themselves and bring them to KFC during Term 3.

Contacts for enquiries - Robyn Falls 0429368242, Leanne Welsh 0447689309,
Judy Mountjoy 0488379222, Wendy Twigg 0427807124, Anne Baker 0429368453

Bus & sign out note for KFC Term 3 2018

My child/children.....will be attending KFC on Friday August 24th, 31st, Sept 7th and 14th. Can you please take his/her/their name(s) off the bus roll. I will arrange private transport for him/her/them to be taken home at 5.00pm following KFC.

Nominated person to sign out.....

Parent/Guardian name.....

Parent/Guardian signature.....

Parent/Guardian phone no.....Date.....

NEED AN EXCUSE TO CLEAN OUT THE UNIFORM CUPBOARD?

- The Parents Association are seeking donations of clean uniform items in good condition for our second hand stall at this year's school fete.
- If sizes are worn on tags can you please label the items with the size in some way (if possible).
- Please forward donations to the College Office.
- Thank you

Come and join the Bec Bulley Netball Academy on Monday 3rd September at Calivil United Football Netball Club!

The program, delivered by Bec Bulley former Australian Diamond and Giants Netballer, is designed to provide young girls and boys the opportunity to develop their netball skills in a fun and engaging environment.

ANNA GARLICK: MENTAL HEALTH SOCIAL WORKER EAST LODDON P-12 COLLEGE, DINGEE. 3571

My name is Anna Garlick I am a mental health accredited social worker. I am offering private social work counselling to the school community of East Loddon College, where I will be working from the school 1 day a fortnight. I have 10 years' experience in working with children from 3-18 yrs old and their families. In this time I have worked in school settings in the Bendigo region as well as having private practice in Boort and in Bendigo.

I utilise a variety of Evidence based techniques to assist children and adolescents in working through their difficulties in a relaxed and inviting environment.

I am experienced in treating and managing a range of presenting problems such as but not limited to:

Emotional issues such as anxiety and depression

Anger and behavioural disorders

Trauma and stress related issues

Self-esteem and social difficulties in children and adolescents

You can talk to the school for further information or contact me directly by Ph: **0413018086** or email me at red-birdroom@gmail.com

Fees are \$95 per hour, with a mental health plan you will receive \$74.40 Medicare rebate, so you will be out of pocket \$20.60

SINCERELY,

ANNA GARLICK

MENTAL HEALTH SOCIAL WORKER

Canteen News
