

Science

Weeks	Term 1										Term 2										
	1	2	3	4	5	6	7	8	9	10	1	2	3	4	5	6	7	8	9	10	
Prep	Physics: On the Move (F)										Chemistry: What's it made of? (F)										
Year 1/2	Physics: Push Pull (1)										Chemistry: Spot the Difference (1)										
Year 3	Physics: Heating Up (3)										Chemistry: Melting Moments (3)										
Year 4	Physics: Magnetic Moves (4)										Chemistry: Material World (4)										
Year 5/6	Physics: Light Shows (5)										Chemistry: What's the Matter? (5)										
Year 7	Physics: Energy, Light and Sound (8)										Biology: Cells and Body Systems (8)										
Year 8	Physics: Energy, Light and Sound (8)										Biology: Cells and Body Systems (8)										
Year 9	Physics: Motion and Forces (10)										Biology: Genetics and Evolution (10)										
Year 10	Physics: Motion and Forces (10)										Biology: Genetics and Evolution (10)
